Dear Dede, - April 26/11

11 o'clock

Called Joe and he just called me and
gave me the rates.

It will ~~cost~~ cost you at the rate of .21⁴
per hundred pounds to Grates or (Kepes), but
no less than 20.00 pounds. Any less
than that will cost .63⁴ per ~~lb~~. Then you
will have to take them by trolley to Lemon Cos.
but they can't give you the rates for that

This is by P. O. railway. Grandma is talking
of coming down Saturday morning and says for
you to have your mending ready for her. Don't
say anything what I told you about the children or
Hattie, as she is all O.K. I guess.

Wish I could see you. Try to come in
this week, if you possibly can.

Hope you are well. Edward & Evelyn are going to school again
With love. Nettie.

CM
